

Autism/Applied Behavior Analysis (ABA) Reimbursement Policy - Commercial

Policy Number	2022RP501A	Annual Approval Date	9/15/2022	Approved By	Optum Behavioral Reimbursement Committee
----------------------	------------	-----------------------------	-----------	--------------------	--

IMPORTANT NOTE ABOUT THIS REIMBURSEMENT POLICY

You are responsible for submission of accurate claims. This reimbursement policy is intended to ensure that you are reimbursed based on the procedure code or codes that correctly describe the health care services provided to individuals whose behavioral health benefits are administered by Optum, including but not limited to UnitedHealthcare members. This reimbursement policy is also applicable to behavioral health benefit plans administered by OptumHealth Behavioral Solutions of California.

Our behavioral health reimbursement policies may use Current Procedural Terminology (CPT®), Centers for Medicare and Medicaid Services (CMS) or other procedure coding guidelines. References to CPT or other sources are for definitional purposes only and do not imply any right to reimbursement. This reimbursement policy applies to all health care services billed on CMS 1500 forms and, when specified, to services billed on the UB-04 claim form and to electronic claim submissions (i.e., 837p and 837i) and for claims submitted online through provider portals. Coding methodology, industry-standard reimbursement logic, regulatory requirements, benefits design and other factors are considered in developing reimbursement policy.*

This information is intended to serve only as a general reference resource regarding our reimbursement policy for the services described and is not intended to address every aspect of a reimbursement situation. Accordingly, Optum may use reasonable discretion in interpreting and applying this policy to behavioral health care services provided in a particular case. Further, the policy does not address all issues related to reimbursement for behavioral health care services provided to members. Other factors affecting reimbursement may supplement, modify or, in some cases, supersede this policy. These factors may include, but are not limited to: member’s benefit coverage, provider contracts and/or legislative mandates. Finally, this policy may not be implemented exactly the same way on the different electronic claim processing systems used by Optum due to programming or other constraints; however, Optum strives to minimize these variations.

Optum may modify this reimbursement policy at any time by publishing a new version of the policy on this website. However, the information presented in this policy is accurate and current as of the date of publication.

Applicability

This reimbursement policy applies to all health care services billed on CMS 1500 forms and services billed on the UB-04 claim form and to electronic claim submissions (i.e., 837p and 837i) and for claims submitted online through provider portals. This policy applies to commercial products, all network and non-network physicians and other qualified health care professionals, including, but not limited to, non-network authorized and percent of charge contract physicians and other qualified health care professionals.

Policy

Overview

This policy describes the correct coding methodology and reimbursement for reporting behavior assessment/intervention services (ABA) for the assessment and treatment of Autism Spectrum Disorders with cpt codes 97151-97158 along with the appropriate modifier by a licensed Qualified Health Care Professional (QHP) including a Board Certified Behavior Analyst (BCBA) or Board Certified Assistant Behavior Analyst (BCaBA) or Board Certified Behavior Analyst-Doctoral (BCBA-D) or Registered Behavior Technician (RBT) providing program oversight services.

Reimbursement Guidelines

Optum follows AMA industry standards and allows the following below reimbursable codes for the commercial ABA program. The appropriate modifier should be billed to reflect the appropriate credentials of the provider delivering the services.

The appropriate modifier must be billed under the Optum ABA program:

- **HN Modifier:** The approved rendering provider for this modifier is a bachelor's level clinician - Board Certified Assistant Behavior Analyst (BCaBA)
- **HM Modifier:** The approved rendering provider for this modifier is less than a bachelor's degree - Registered Behavior Technician (RBT).
- **HO modifier:** The approved rendering provider for this modifier is a master's level clinician – Board Certified Behavior Analyst (BCBA) or a licensed mental health provider.
- **HP modifier:** The approved rendering provider for this modifier is a doctorate level clinician - Board Certified Behavior Analyst-Doctorate (BCBA-D) or a licensed mental health provider.
