

Dear Member,

As a member of UnitedHealthcare Community Plan of FL, you can get services that are not usual Medicaid benefits. The following services are available to you:

- Mental Health Partial Hospital in a hospital setting
- Mental Health Residential Treatment
- Self-Help/Peer Services
- Crisis Stabilization
- Home-Based Outpatient Services
- Ambulatory Detoxification Services in an Outpatient Setting

You do not have to use these services instead of your regular Medicaid benefits. Your doctor has asked for one of these services for you. Please sign below if you give your permission to use these services.
