Dear Provider,

On behalf of United Healthcare Community Plan I am writing to invite your organization to participate in claims testing for 29I Facilities. Our intent is to test all aspects of the claims adjudication process to ensure a smooth transaction.

Effective July 1, 2021 Voluntary Foster Care Agencies will be reimbursed via managed care.

Testing will begin April 1, 2021. We will be holding claims testing webinars on *Tuesday March 16th at 3:00pm and Thursday March 25th at 10am* to further explain the claims testing process and organizational requirements. If your organization is interested in claims testing and attending a webinar to learn more about this exciting opportunity please respond via email heidi_hopkins@optum.com and write in the Subject line: ***New York Children's Claim Testing.***
